VCAS Commission Meetings have transitioned back to in-person only.

Public comment is the opportunity for members of the public to participate in meetings by addressing the VCAS Commission in connection with one or more agenda or non-agenda items. Public comments by a member of the public at a single meeting are limited to **three (3) minutes** unless the time allotment is increased or decreased by the Chair depending on the number of speakers.

To maintain a public meeting environment conducive and welcoming to receiving public comments from all members of the public, the audience is discouraged from engaging in displays of support or opposition to staff reports or public comments, including clapping, yelling, booing, hissing, or cheering, that may create a disruptive environment for members of the public wishing to participate. Any person who disrupts or impedes the orderly conduct of a meeting will

be instructed to cease the disruptive conduct. Failure to do so may result in that person being removed from the meeting.

If you would like to address the VCAS Commission with a public comment, please arrive 15 minutes prior to the start of the meeting. You must check in with the Recording Secretary of the Board to complete a Public Comment Card. Your name will be called during the public comment section of the agenda.
